* Planting dates shown for crops marked "*" are intended to be for setting plants into the garden. Seeds should be sown 40 to 60 days earlier, indoors or under glass.

Seed should be covered from three to five times its diameter. Press soil down firmly. Keep moist continuously.

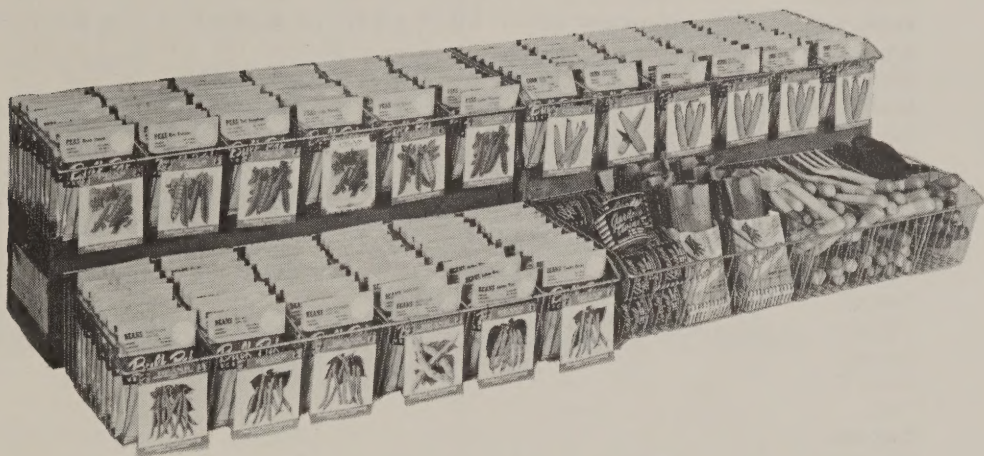

The above chart gives distances between rows for hand cultivation; where garden tractor is used the rows should be farther apart.

Mass Display Increases Sales

Self-service is the preferred way of shopping.

Your customers buy more . . . in less time . . . with less help.

New
Wire Display Bins
for Half Pound
Bulk-Pak Peas,
Beans and Corn

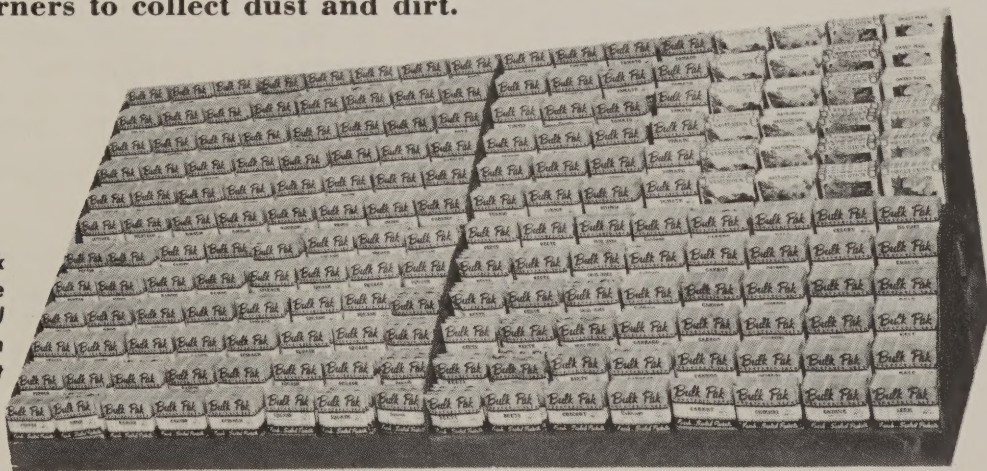

EASY SHOPPING for the customer. These wire bins afford full view of the packages, making it easy to quickly select the varieties desired.

EASY TO ARRANGE to fit any of your present table or counter fixtures. Each unit has six bins. It is 3 feet long and 1 foot deep. They can be stair-stepped as shown, or used in single rows on standard-width shelves.

MULTIPLE USES make these bins a year around fixture. They are excellent for all types of fall bulbs . . . small hand tools . . . garden twine . . . and many other small items that are not easily stacked on shelves or tables.

ALWAYS NEAT AND CLEAN. Cadmium plated wire will not rust or tarnish. No closed corners to collect dust and dirt.

this Display Unit

MASS DISPLAY of the bright, attractive packages actually "pulls" the customers for self-service buying. It is a well-established fact that 64% of all purchases are made on impulse. Another reason why it is important to get your vegetable seed out into the traffic areas.

VERSATILE units that may be arranged to fit any present table or counter fixtures. Each unit contains 48 pockets. The dimensions are 35 inches long by 13½ inches deep. This illustration shows four units, two wide and two high.

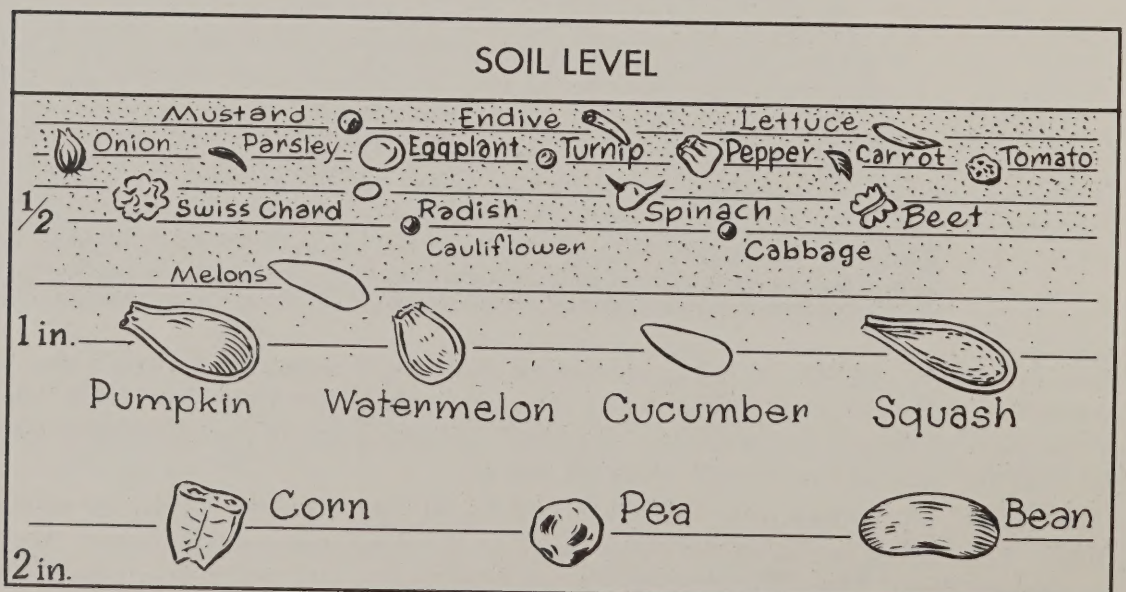

We take pleasure in sending you our 1958 Vegetable Seed Price Book, containing wholesale prices on all vegetable seeds.

All prices in this catalog are subject to change without notice. All items are offered subject to crop failures or shortages. The Portland Seed Company, The Chas. H. Lilly Co., and the Inland Seed Co. warrant to the extent of purchase price, that seeds are as described on the container within recognized tolerances. Seller gives no other or further warranty, express or implied.
